   The meeting will be opened by the Vice-Chair of the Ethics and Finance Committee (EFC), Ms. Medea Inashvili (Georgia, Eastern European States).

2. **Transition of the Chair and Vice-Chair**

   Ms. Medea Inashvili will take over the Chairmanship. Ms. Su-Lin Garbett-Shiels (United Kingdom, Western European and Other States) will take over the Vice-Chairmanship from Ms. Inashvili.

3. **Organizational matters**

   a) **Adoption of the agenda:**

      Documents: AFB/EFC.11/1, *Provisional agenda* and AFB/EFC.11/2, *Annotated provisional agenda*.

      Action expected: The EFC will be invited to adopt the agenda for the meeting and to raise any other matters it may wish to discuss. These other matters will be included on the agenda under item 10.

   b) **Organization of work**

      Documents: AFB/EFC.11/1, *Provisional agenda* and AFB/EFC.11/2, *Annotated provisional agenda*. 
Background: The Chair will propose to the EFC the organization of work as suggested in the attached provisional timetable.

Action expected: The EFC will be invited to approve the organization of work as proposed by the Chair.

4. **Investigative procedure**

Document: None.

Background: The Board at its 16th meeting considered a document prepared by the secretariat on how to trigger a review or an investigation, including procedures to address cases of financial mismanagement. Following consideration of the information presented by the secretariat\(^1\) and the recommendation by the EFC, the Board decided to request the secretariat a proposal of investigative procedure for consideration at the next EFC meeting, including the cost implications of implementing the proposed procedure and taking into account any possible conflicts of interest.\(^2\) The Board at its 17th and 18th meetings considered the proposal prepared by the secretariat. At its 18th meeting the Board decided to request comments from Board members. It also requested the secretariat to present a revised version of the document and develop terms of reference for the investigative consultants for consideration by the EFC at its 10th meeting.\(^3\) The secretariat prepared the requested revised document, in consultation with its former World Bank legal counsel. The current World Bank legal counsel, following a discussion with World Bank management, conveyed to the Board that an investigative function was not consistent with the function of the secretariat as had been established and agreed with the World Bank. The Board requested the secretariat to present to the EFC at its 11th meeting, a proposal by the World Bank legal counsel on options for implementing an Investigative Procedure. The options should: (a) Take into account the Board’s legal status in Germany; (b) Provide an option for the Board to contract its own legal advisor; and (c) Specify cost implications for the different options.\(^4\)

Action expected: The EFC will be invited to consider the proposal by the WB legal counsel and make a recommendation to the Board for approval.

5. **Letter from World Bank (decision B.19/28)**

Document: None.

Background: The Board Chair received a letter by the World Bank controller referring to the transfer of funds made by accredited implementing entities to executing entities. The letter stated that the trustee’s Anti-Money Laundering and Combating the Financing of Terrorism Program deals specifically with its internal operations and, as such, is not a substitute for any required due diligence pertaining to the ultimate beneficiaries of disbursements that the World Bank processes as trustee for the Adaptation Fund. The letter also noted that the World Bank follows a protocol for fund transfers that includes

screening to ensure that the transfers do not contravene any Resolution issued by the United Nations Security Council, and that the World Bank expected the Adaptation Fund to have effective controls in place as well. Following consideration of the matter by the EFC, the Board decided to request the secretariat to present to the EFC at its 11th meeting a document prepared by the World Bank legal counsel to the secretariat that includes the following: (a) Proposals for "effective mechanisms" the Board can implement to, as the letter states, "ensure that the follow-on use of funds does not contravene any Resolution issued by the United Nations Security Council or other sanctions regimes which may apply to your entity"; (b) A risk analysis, that is both legal and practical, of the Fund's current project portfolio and measures that can be taken to mitigate any risks uncovered by the analysis; and (c) A review of how the Fund's fiduciary standards and accreditation process may be part of the due diligence undertaken by the Fund.5

Action expected: The EFC will be invited to consider the proposal by the World Bank legal counsel and make a recommendation to the Board for approval.

6. **Legal support to the Board: current arrangements and conflict of interest**

   Document: None.

   Background: This agenda item had been introduced by the former Chair, Ms. Ana Fornells de Frutos (Spain, Annex I Parties). The issue has been discussed previously in the EFC (see Investigative procedure under agenda item 5), and the Board had requested to the secretariat a proposal by the World Bank legal counsel on this matter.

   Action expected: The EFC will be invited to consider the proposal by the WB legal counsel and make a recommendation to the Board for approval, taking into account the discussion under agenda item 5 above.

7. **Analysis of project delays**

   Background: Following the discussion of the annual performance report (APR) 2012, the Board decided to request the secretariat an analysis of project delays, in particular, start-up delays, for consideration by the EFC. Document AFB/EFC.11/3 contains the requested analysis.

   Action expected: The EFC will be invited to consider the information presented by the secretariat in document AFB/EFC.11/3

8. **Implementation of the code of conduct**

Under this agenda item EFC members can raise any issues related to the implementation of the code of conduct for deliberation by the EFC. Background: The trustee will report on the financial status of the trust fund to the EFC. Further, the Board had requested the trustee to present options the Board may wish to pursue to ensure that the Certified Emission Reduction certificates (CERs) allocated to the Adaptation Fund Share of Proceeds account at the Clean Development Mechanism (CDM) Registry of the UNFCCC Secretariat are allocated in a timely and accurate manner by the CDM. Document AFB/EFC.11/5 provides advice on possible options and measures the Board may wish to consider.

Action expected: The EFC will be invited to consider and take note of the report presented by the trustee. The EFC may also wish to consider the options presented in document AFB/EFC.11/5 and make a recommendation to the Board.
