

Readiness Programme FOR CLIMATE FINANCE

The Adaptation Fund's Readiness Programme for Climate Finance aims to strengthen the capacity of national and regional entities to receive and manage climate financing as they adapt and build resilience to

"The Adaptation Fund accreditation process built capacity in {our organization} for other climate financing." — Déthié Soumaré Ndiaye, Centre de Suivi Ecologique, Senegal

changing conditions in sectors ranging from agriculture and food security to coastal zones and urban areas.

The Programme will also convene thought leaders and foster ongoing dialogue and collaboration in climate finance readiness.

Bulacan City, Philippines by Klienne Eco

CORE ACTIVITIES

Intensive seminars convening stakeholders in the full cycle of climate finance, from accreditation through project design, implementation, monitoring and evaluation.

Online collaboration and knowledge sharing will be encouraged through a knowledge exchange.

South-South grants programme will support experienced NIEs assist countries working to become accredited for climate finance.
