Adaptation Fund Board

Report on project/programme implementation: CSE

Following the recommendation of the secretariat after its review and clearance of the fourth semi-annual programme performance report provided by the Centre de Suivi Ecologique (CSE), and having reviewed the additional information provided by CSE to explain the need for its request for a one-year extension of its programme in Senegal, the Adaptation Fund Board decides to:

- a) Approve the final tranche of funds requested by CSE for the implementation of the programme “Adaptation to coastal erosion in vulnerable areas” (Senegal), in the amount of US \$750,000;*
- b) Request the trustee to transfer to CSE US \$750,000 as agreed to in the disbursement schedule included in the programme agreement; and*
- c) Approve the request for a one-year extension of the programme “Adaptation to coastal erosion in vulnerable areas” submitted by CSE, up to January 2014;*
- d) Request CSE to submit, by 31 December 2013, a final programme performance report to the Board.*
