Potential linkages between the Fund and the Green Climate Fund

Following consideration of document AFB/B.24-25/1, [Potential linkages between the Fund and the Green Climate Fund](#), the Adaptation Fund Board decides to request the secretariat to:

(a) Further assess:

(i) The potential for the Adaptation Fund to apply as a financial intermediary of the Green Climate Fund; and

(ii) The feasibility of entering into some form of memorandum of understanding or legal agreement under which the Fund could programme GCF funds; and

(b) Present its conclusions to the 25th Board meeting.
