

# CTCN technical assistance for Adaptation Fund Project Readiness

Washington DC  
13 July 2016

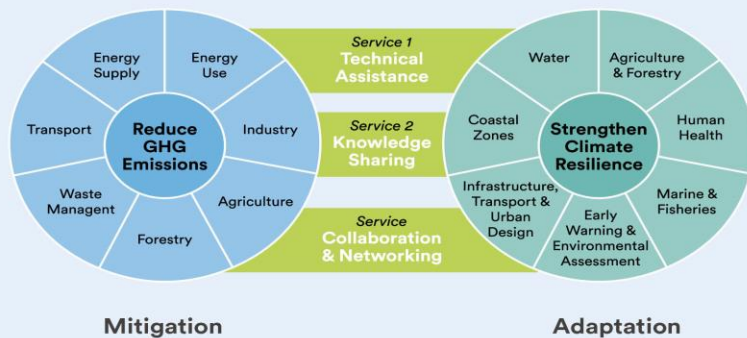

Jason Spensley  
Climate Technology Manager  
UNFCCC Climate Technology Centre  
and Network (CTCN)

[jason.spensley@unep.org](mailto:jason.spensley@unep.org)

# Brief Description of the CTCN

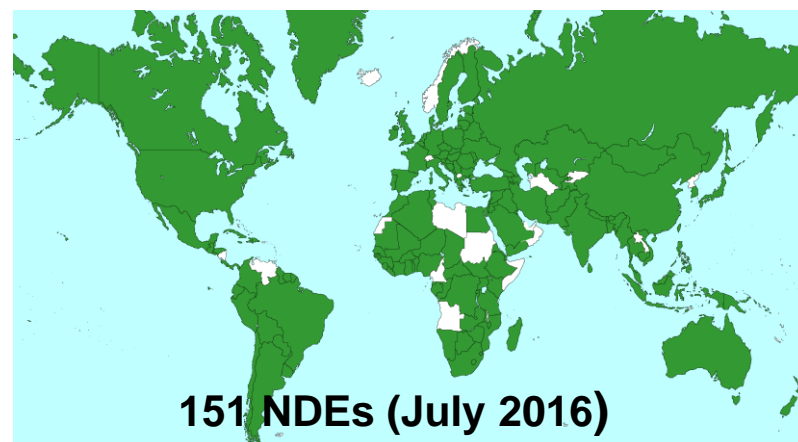

- Operative arm of the UNFCCC Technology Mechanism
- “Enhance transfer and development of climate technology solutions to developing countries, upon request”
- 151 CTCN National Designated Entities (as of today)
- 3 core services and 14 sectors
- Hosted by UNEP with Consortium of 14 organisations
- 180+ Network members from private, academic, NGO sectors

# CTCN 3 Core Services

## 1. Technical Assistance

- 127 Requests from 60+ countries
- 67 being signed or implemented
- USD25k to USD250k
- 3-12 months
- By request by NDE
- Implemented by CTCN Network

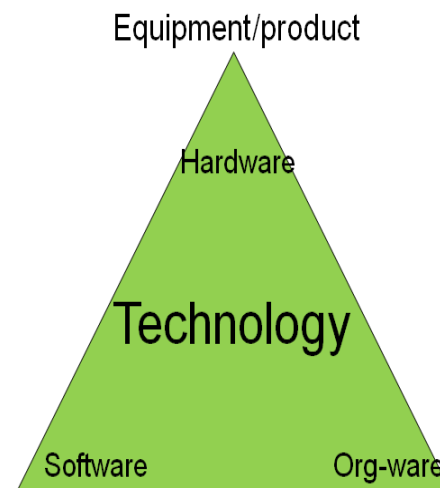

## 2. Capacity Building

- Regional Forums linking country focal points, private sector, GCF and MDBs

## 3. Knowledge Management + Networking

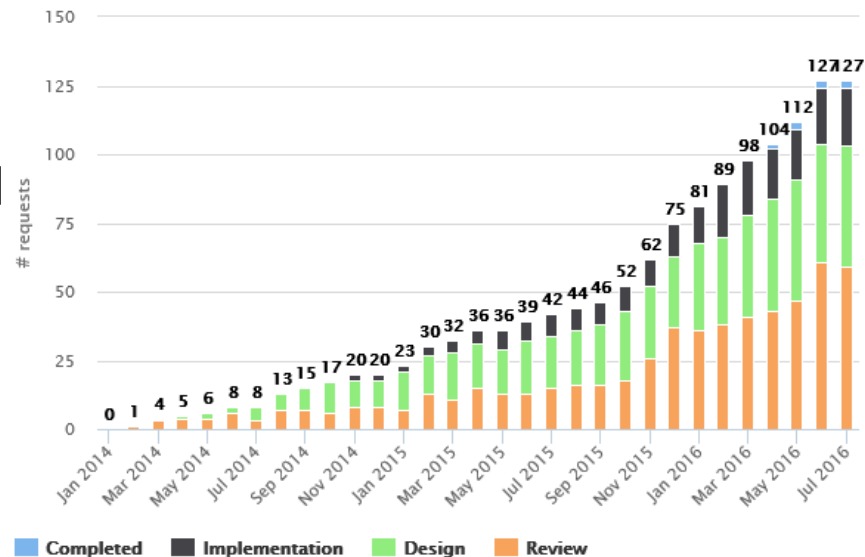

- Webinars and information portal

# CTCN 3 Core Services

## 1. Technical Assistance

- 127 Requests from 60+ countries
- 67 being designed or implemented
- USD 25k to USD 250k
- 3-12 months
- By request by NDE
- Implemented by CTCN Network

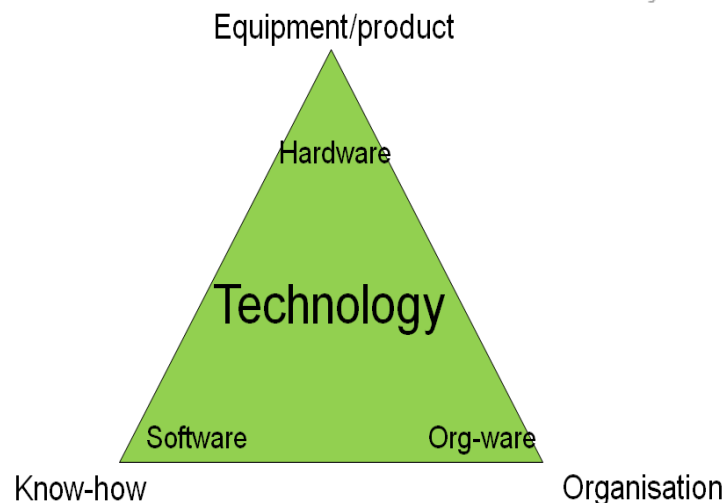

## 2. Capacity Building

- Regional Forums linking country focal points, private sector, GCF and MDBs

## 3. Knowledge Management + Networking

- Webinars and information portal

# Examples of CTCN Technical Assistance

| Country            | Focus  |
|--------------------|--|
| Dominican Republic | Disaster risk management communications protocol using mobile phone technology   |
| Indonesia          | Flood modelling for infrastructure investment planning in Jakarta  |
| Kenya              | Technology design and private-public partnership for investing rural water service provision                                 |
| Mauritius          | Inclusion of climate change aspects in the 2020 development plan for the Port of Port Louis                                  |
| Mali               | Prioritising technologies and catalysing private finance crop drying and storage to strength climate resilient food security |
| Peru               | Design of the national fisheries strategy  |

# How and when to request CTCN technical assistance

## How to request CTCN assistance:

1. 'Proponent' gains endorsement of NDE
2. Submit request (3 pages)
3. Eligibility criteria: relevance to (i) CC priorities; (ii) national plans; (iii) sustainability
4. Prioritisation criteria: balancing of (i) geography balancing; (ii) adaptation/mitigation; (iii) stage of technology cycle
5. CTCN design technical assistance workplan (with NDE/proponent)
6. CTCN selects best available implementer from 180+ Network members
7. Implementation overseen by CTCN and NDE
8. Evaluation by NDE/proponent and CTCN

## When to request:

- For AF project developing: During design of concept notes of full proposals
- Request accepted by CTCN at any time during the year
