Adaptation Fund Board

Project cancellation: United Nations World Food Programme (Indonesia)

Following the recommendation of the Project and Programme Review Committee, the Board decides to:

- (a) Cancel the project “Adapting to Climate Change for Improved Food Security in West Nusa Tenggara Province”, originally approved for implementation by the United Nations World Food Programme (WFP) in Indonesia through decision B.25-26/4;*
- (b) Consider the funds originally allocated for the project mentioned in subparagraph (a) above to be available for new project proposals;*
- (c) Encourage the Government of Indonesia to submit new project proposals to the Adaptation Fund, with the understanding that the funds originally allocated for the project mentioned in subparagraph (a) above no longer count towards the country cap for Indonesia; and*
- (d) Request the secretariat to write letters to WFP and the Government of Indonesia informing them about the cancellation of the project.*
