## Helpful tips

- **Keep your microphone muted during presentations**
- **Avoid sharing your video (icon in the participant list)**
- **Raising hand**
- **Chat window**
- **General discussion and Q&A in the end**
- **Please take evaluation at the end (6 questions)**
- **Discussion will continue on community of practice for direct access entities (CPDAE) online platform:**  
**[www.directaccesscommunity.org](http://www.directaccesscommunity.org)**

# Community of practice for direct access entities (CPDAE)

*The Direct Access Community of Practice is a platform for people to exchange information on how to access climate finance for transformative initiatives. It is primarily a space for implementing entities accredited to the Green Climate Fund and Adaptation*
