Approval of request for change in project outputs' indicator targets, deletion of output and material change: WFP (Mauritania)

Following the recommendation of the Adaptation Fund Board Secretariat after its review of the request for change in project outputs' indicator targets, deletion of output and material change submitted by the World Food Programme (WFP) as described in document AFB/B.31-32/2, the Adaptation Fund Board decides to approve the deletion of one project output, the material change in project budget due to that output deletion and changes in the budgets of other outputs, and the revision of output indicator targets for the project "Enhancing Resilience of Communities to the Adverse Effects of Climate Change on Food Security in Mauritania" as described in document AFB/B.31-32/2.
