Adaptation Fund Board

Proposal for Togo (BOAD)

Togo: Increasing the resilience of vulnerable communities in the agriculture sector of Mandouri in Northern Togo (Fully Developed Project Proposal; *Banque Ouest Africaine de Développement* (BOAD; West African Development Bank); TGO/RIE/Agri/2016/1; (US\$ 10,000,000)

Having considered the intersessional technical review of the fully-developed project document carried out by the secretariat and the Project and Programme Review Committee (PPRC), and the recommendation of the PPRC, the Adaptation Fund Board decides to:

- (a) Not approve the fully-developed project document, as supplemented by the clarification response provided by the *Banque Ouest Africaine de Développement* (BOAD; West African Development Bank) to the request made by the technical review;
- (b) Suggest that BOAD reformulate the proposal taking into account the observations in the review sheet annexed to the notification of the Board's decision, as well as the following issues:
 - (i) The proposal should provide information on environmental and social risks identification according to the 15 principles of the Adaptation Fund environmental and social policy (ESP);
 - (ii) The proposal should clarify rainy season and dry season river flows for the Oti River in relation to water use and storage in the proposed water reservoir;
 - (iii) The proposal should identify risks and describe mitigation measures for the construction and operation of the water reservoir, including information on biodiversity and habitat loss; and
- (c) Request BOAD to transmit the observations under sub-paragraph (b) to the Government of Togo.
