Adaptation Fund Board

Proposal for Armenia (EPIU)

Armenia: Artik city closed stone pit wastes and flood management pilot project (Fully-developed project document; Environmental Project Implementation Unit of the Ministry of Nature Protection of Armenia (EPIU); ARM/NIE/Urban/2017/1; US \$1,435,100)

Having considered the intersessional technical review of the fully-developed project document carried out by the secretariat and the Project and Programme Review Committee (PPRC), and the recommendation of the PPRC, the Adaptation Fund Board decides to:

- (a) Not approve the fully-developed project document, as supplemented by the clarification response provided by the Environmental Project Implementation Unit (EPIU) to the request made by the technical review;
- (b) Suggest that EPIU reformulate the proposal taking into account the observations in the review sheet annexed to the notification of the Board's decision, as well as the following issue:
 - (i) The fully-developed project document should further demonstrate compliance with the Fund's Environmental and Social Policy, including through substantiation of the risks findings and the development of adequate environmental and social management plan.
- (c) Request EPIU to transmit the observations under item (b) to the Government of Armenia.
