Adaptation Fund Board

Proposal for Indonesia (2) (Kemitraan)

Indonesia (2): Building Coastal City Resilience to Climate Change Impacts and Natural Disasters in Pekalongan City, Central Java Province (Fully-developed project; Partnership for Governance Reform in Indonesia (Kemitraan); IDN/NIE/Multi/2017/1; US\$ 4,169,998)

Having considered the recommendation of the Project and Programme Review Committee, the Adaptation Fund Board (the Board) decides to:

- a) Not approve the fully-developed project, as supplemented by the clarification responses provided by the by the Partnership for Governance Reform in Indonesia (Kemitraan) to the request made by the technical review;
- b) Suggest that Kemitraan reformulate the proposal taking into account the observations in the review sheet annexed to the notification of the Board's decision, as well as the following issues:
 - (i) The proposal should ensure compliance with the Fund's guidance on unidentified sub-projects;
 - (ii) The proponent should further demonstrate how the program interventions would meet national legislation regarding Environmental Impact Assessments (EIAs);
 - (iii) The proposal should further comply with the Fund's Environmental and Social Policy and Gender Policy, and the Funds guidance on costs and fees; and
- c) Request Kemitraan to transmit the observations under subparagraph b) to the Government of Indonesia.
