9. **Procedural steps for receiving contributions from alternative sources.**

Document: AFB/B.34/6, *Procedural steps for receiving contributions from sources alternative to government funding.*

Background: The Board, at its thirty-second meeting, decided to request the secretariat to prepare a document on the procedural steps to be taken to receive contributions from sources alternative to government funding and present it to the Board for its consideration at its thirty-third meeting. The issue was not taken up by the Board at its thirty-third meeting, owing to a lack of time. The secretariat will present the above-mentioned information contained in document AFB/B.34/6.

Action expected: The Board will be invited to consider the information presented by the secretariat and decide on a course of action regarding the matter.

10. **Provision of financial resources between single-country and regional concrete adaptation project and programmes (country cap).**

Action expected: The Board will be invited to consider the information presented by the secretariat and decide on a course of action regarding the matter.

11. **Issues remaining from the thirty-third meeting:**

   a) **Strategic discussion on objectives and further steps of the Fund. Potential linkages between the Fund and the Green Climate Fund;**

Background: The Board and secretariat has continued discussions with the Green Climate Fund (GCF) to advance the collaborative activities and explore the options for fund-to-fund arrangements in line with decision B.32/41. The discussions have been taking place at two levels: through dialogue between the AFB Chair and Vice-Chair with the Co-chairs
of the GCF Board both exclusively and in the context of the annual dialogue among a larger group of climate funds, and through ongoing discussions between the secretariats of the Fund and the GCF on concrete activities. The Chair and Vice-Chair, assisted by the secretariat, attended the second annual dialogue organized by the GCF as well as a bilateral discussion between the boards of the two funds on the margins of the COP24 in Katowice, Poland. The issue was not taken up by the Board at its thirty-third meeting, owing to a lack of time. The Chair and the secretariat will present the progress made in these activities contained in document AFB/B.34/8.

Action expected: The Board will be invited to take note of the information presented by the Chair and the secretariat and decide on a course of action regarding the matter.

b) Late-stage withdrawals of proposals by multilateral implementing entities;

Document: None.

Background: The secretariat received a notification of withdrawal for a fully-developed project proposal from one of the multilateral implementing entities (MIEs) after the review process of the secretariat progressed very far. A reason behind the late-stage withdrawal was that the MIE found it very difficult to agree on the current standard project agreement of the Fund. A MIE had sent a letter, on behalf of itself and three other MIEs, stating that they would want to have modifications included in the standard agreement. In the letter, the MIE had also requested that projects proposed by them and already approved for funding could be given more time to be signed, until the consideration of their request related to the legal agreement has been concluded. In principle, if the implementing entity does not sign the standard legal agreement within 4 (four) months from the date of notification of the approval of the project/programme proposal, the funds committed for that project/programme will be cancelled and retained in the Trust Fund for new commitments. The issue was not taken up by the Board both at its thirty-second and thirty-third meeting, due to the respective meeting’s heavy agenda, and the issue was deferred to the thirty-fourth meeting. The secretariat will present information on the issue.

Action expected: The Board will be invited to consider the information presented by the secretariat and decide on a course of action regarding the matter.

c) Report on portfolio monitoring missions.

Background: The secretariat conducted portfolio monitoring missions to the projects in Cambodia and South Africa in FY18, Rwanda and Chile in FY19, and Cook Islands and Samoa at the beginning of FY20. The secretariat will present an overview of the missions.
Action expected: The Board will be invited to consider and take note of the reports.

12. Issues arising from fourteenth session of the Conference of the Parties serving as meeting of the Parties to the Kyoto Protocol (CMP 14), and the third part of the first session of the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement (CMA 1-3).

- AFB/B.34/9, **Decisions of CMP14 and CMA1 related to the Adaptation Fund and the Relevant Matters to be considered by the Adaptation Fund Board**;

- AFB/B.34/9/Add.3, **Amendment of institutional arrangement (MoU) with the GEF for secretariat services to the Board**; and
- AFB/B.34/9/Add.4, **Adaptation Fund Board’s consideration of its rules of procedure**.
- AFB/B.34/Inf.7, **Decisions of CMP 14 and CMA 1 related to the Adaptation Fund and the relevant matters to be considered by the Adaptation Fund Board (submitted to the 33th meeting of the Board as Document AFB/B.33/11)**;
- AFB/B.34/Inf.8, **Matters related to the mandated contained in paragraph 6 of decision 1/CMP. 14 (submitted to the additional Board meeting (B.33.b) as Document AFB/B.33.b/3)**;
- AFB/B.34/Inf.10, **The Rules of Procedure of the Adaptation Fund Board**;
- AFB/B.34/Inf.11, **Strategic Priorities, Policies, and Guidelines of the Adaptation Fund Adopted by the CMP (Annex I to the OPG)**.

Background: At its thirty-third meeting, the Board considered the decisions of CMP14 and CMA1 related to the Adaptation Fund (document AFB.B.33/11), which finalized the process for the Fund to serve the Paris Agreement and to operate under the guidance of the CMA. The Board requested the secretariat to prepare for inclusion of, in the draft addendum to the report of the Board to the Conference of Parties serving as meeting of the Parties to the Kyoto Protocol at its fifteenth session (CMP15), possible Board’s consideration and recommendations on the tasks mandated by decision 1/CMP.14 “Matters Relating to the Adaptation Fund,” and submit them to the Board for consideration at its meeting in October 2019, in consultation with the UNFCCC Secretariat, the interim trustee (the World Bank) and the GEF Secretariat. The Board established a task force to provide guidance to the secretariat and held an additional meeting of the Board on 28-29 June 2019, to discuss the matter and check the progress of the work being done by the task force and the secretariat. At its additional meeting in June 2019, the Board made three decisions (Decisions B.33.b/1, B.33.b/2, and B.33.b/3) related to the (i) Terms and Conditions of the Trustee services to be provided by the World Bank as the interim trustee; (ii) Institutional arrangement (MoU) with the GEF for Secretariat services to the Board; (iii) the Rules of Procedure of the Board, implications of the Fund receiving the share of
proceeds from activities under Articles 6, 12 and 17 of the Kyoto Protocol when the Fund serves the Paris Agreement, and any other matter so as to ensure the Fund serves the Paris Agreement, respectively. In line with these decisions, the secretariat prepared the documents AFB/B.34/9, AFB/B.34/9/Add.1 (The draft amendment of T&Cs between the CMP and the World Bank as the trustee), AFB/B.34/9/Add.2 (the trustee’s cover note on T&Cs), AFB/B.34/9/Add.3 (the draft amendment of the MoU between the CMP and the GEF Council regarding secretariat services to the Adaptation Fund Board), and AFB/B.34/9/Add.4 (the Board’s consideration on the matter of the Rules of Procedure of the Board). These are prepared to help the Board report to the CMP at its fifteenth session on the tasks mandated by decision 1/CMP14, and are not intended to influence or prejudge any future decisions by Parties on the relevant matters.

Action expected: The Board will be invited to consider the documents presented by the secretariat and decide on a course of action regarding the matter.

13. **Review of the project and programme review process.**

   **Document:** AFB/B.34/10, *Review of the project and programme review process.*

   **Background:** A significant number of proposal submissions has been increasingly challenging for both the Board and secretariat to undertake the project and programme review process within the existed project review cycle. Also, a number of implementing entities have raised the issue of the time allowed (currently one week) for the revision of the proposals after they received the initial comments of the secretariat. As per Board decision B.33/10, the secretariat undertook a review of the project and programme review process, with the consideration of the Operational Policies and Guidelines for Parties to Access Resources from the Adaptation Fund and will present it to the Board.

   Action expected: The Board will be invited to consider the information presented by the secretariat and decide on a course of action regarding the matter.

14. **Options to further enhance civil society participation and engagement in the work of the Board.**

   **Document:** AFB/B.34/12, *Options to further enhance civil society participation and engagement in the work of the Board.*

   **Background:** At the thirty-third meeting of the Board, it was generally agreed that it would be important to enhance the participation of civil society in the work of the Board, but it was also asked how large that participation should be and how the representatives of civil society would be chosen. As per Board decision B.33/54, the secretariat explored, in consultation with civil society participation and engagement in the work of the Board and will present a document to the Board for consideration.

   Action expected: The Board will be invited to consider the information presented by the secretariat and decide on a course of action regarding the matter.

Action expected: The Board will be invited to consider the information presented by the secretariat and decide on a course of action regarding the matter.

Background: The secretariat will report on its knowledge management activities and communication efforts since the thirty-third meeting of the Board, including on events scheduled during the upcoming Santiago Climate Change Conference (COP 25) (2-13 December 2019, Santiago, Chile).

Action expected: The Board will be invited to take note of the report.

17. Financial issues:

Action expected: The Board will be invited to confirm the meetings’ schedule.

21. Implementation of the code of conduct.

Document: Code of Conduct and Zero Tolerance Policy for the Board (Adopted in October 2014)

Background: At its nineteenth meeting, the EFC underscored that all Board members and alternates should be aware of the code of conduct, the zero tolerance policy for fraud and corruption, and the procedure for reporting such issues to the EFC. Having considered the comments and recommendation of the EFC, the Board decided to address the item relating to the code of conduct as the last substantive item on its agenda at every Board meeting (Decision B.28/41).

Action expected: Board members and alternates can raise any issues related to the implementation of the code of conduct for deliberation by the Board.
