Adaptation Fund Board

### **Proposal for Zimbabwe (United Nations Educational, Scientific and Cultural Organization)**

Zimbabwe: Strengthening Local Communities' Adaptive Capacity and Resilience to Climate Change Through Sustainable Groundwater Exploitation in Zimbabwe (Fully-developed project; United Nations Educational, Scientific and Cultural Organization (UNESCO); ZWE/CIE/Water/2018/1; US\$ 5,000,000).

Having considered the recommendation of the Project and Programme Review Committee, the Adaptation Fund Board (the Board) decides to:

- a) Not approve the fully-developed project, as supplemented by the clarification responses provided by the United Nations Educational, Scientific and Cultural Organization (UNESCO) to the request made by the technical review;
- b) Suggest that UNESCO reformulate the proposal taking into account the observations in the review sheet annexed to the notification of the Board's decision, as well as the following issue:
  - (i) The proposal should ensure consistency in financing figures between the disbursement schedule, project components, and financing table.
- c) Request UNESCO to transmit the observations under subparagraph b) to the Government of Zimbabwe.
