Real IMPACT of AF Accreditation

- Enhanced Our Environmental and Social Safeguard Policy and Risk Management Mechanism by Adapting 15 AF principles. Previously our ES Policy only applied IFC 8 Performance Standards.
- Enhanced accountability and oversight mechanism within KEMITRAAN by enhancing the role of Audit Committee at Board Level, to complement and strengthen the Internal Audit function.
- Widen the scope of Anticorruption and Whistleblower Policy to include AML/CFT (Anti-Money Laundering and Countering the Financing of Terrorism).
- AF accreditation has become a **LADDER** to apply GCF accreditation.
