1. Background

The Adaptation Fund was established through decisions by the Parties to the United Nations Framework Convention for Climate Change and its Kyoto Protocol to finance concrete adaptation projects and programmes in developing countries that are particularly vulnerable to the adverse effects of climate change. At the Katowice Climate Conference in December 2018, the Parties to the Paris Agreement decided that the Adaptation Fund shall also serve the Paris Agreement.

The Fund supports country-driven projects and programmes, innovation and global learning for effective adaptation.¹ All of the Fund's activities are designed to build national and local adaptive capacities while reaching and engaging the most vulnerable groups, and to integrate gender consideration to provide equal opportunity to access and benefit from the Fund's resources. They are also aimed at enhancing synergies with other sources of climate finance, while creating models that can be replicated or scaled up. www.adaptation-fund.org

2. Adaptation Fund governance

The Fund provides climate finance to developing countries who are Parties to the Kyoto Protocol.

The Fund is supervised and managed by the Adaptation Fund Board (the Board), which is accountable to CMP [and CMA].² The majority of Board members are from developing countries. The Board has two committees, namely, the Ethics and Finance Committee (EFC), and the Project and Programme Review Committee (PPRC). The EFC is responsible for advising the Board on issues of conflict of interest, ethics, finance, fund and portfolio monitoring, evaluation and audit.³ The PPRC is responsible for assisting the Board with assessing project and programme proposals submitted to the Board and review project and programme performance reports.⁴ An Accreditation Panel (AP) has been established to ensure that organizations receiving Fund money meet the fiduciary standards. The AP provides recommendations to the Board regarding the accreditation of new IEs and the suspension, cancellation or re-accreditation of entities already accredited.⁵

The World Bank serves as an interim trustee of the Fund.⁶ The Global Environment Facility (GEF), through a team of dedicated officials, provides secretariat services to the Board. The Board Secretariat manages the day-to-day operations of the Adaptation Fund such as research, advisory and administrative services.

3. Technical Evaluation Reference Group of the Adaption Fund (AF-TERG)

The AF-TERG is an independent evaluation advisory group accountable to the Board, established in 2018 to ensure the independent implementation of the Fund's evaluation framework.⁷ From October 2023 onwards, the AF-TERG will guide the implementation of the new Evaluation Policy of the Adaptation Fund.⁸ The AF-TERG, which is headed by a chair, provides an evaluative advisory role through performing evaluative, advisory and oversight functions. The group is comprised of independent experts in evaluation,

4. AF-TERG Working Modalities

The AF-TERG will have at least one in-person member meeting annually and bi-weekly or monthly virtual AF-TERG member meetings to keep one another informed; the frequency of meetings depends on work priorities and needs. Meetings will be scheduled at a time convenient to most of the members. Additional in-person or hybrid meetings may be scheduled if the need arises, as requested by the AF-TERG Chair. To facilitate the exchange of views among AF-TERG members between in-person meetings, other means of communication will be maintained, including electronic discussion groups, conference calls or video conferencing.

The Chair of the AF-TERG shall also attend the bi-annual meetings of the Ethics and Finance Committee (EFC) of the Board as ex-officio member. The Chair of the AF-TERG shall report to the Board and/or the EFC as frequently as deemed appropriate and will present results of evaluations and other work conducted by the AF-TERG. Recommendations from the AF-TERG – including an annual budget - are expected to be considered by the EFC, as per the EFC's terms of reference, which would in turn forward them to the Board, together with any recommended decisions. The Board, drawing from inputs from its committees or the Accreditation Panel, may, as appropriate, request the AF-TERG to include in its work programme specific evaluation tasks relevant to its work.

The Board, through the EFC, will oversee the performance of the AF-TERG, in a manner that does not infringe on the independence of the AF-TERG in terms of content and conclusions of evaluations. The Board may also commission independent evaluations on the AF-TERG, in order to capture lessons learned and amend the arrangement as needed.
