recipient governments,
implementing entities and
civil society.

ADAPTATION FUND

The Adaptation Fund cordially invites you to a high-profile event and evening reception to celebrate the Fund's achievements and progress over the 15 years since its operationalization in 2007.

The event features different voices to commemorate the Fund's success and contribution to financing adaptation action in developing countries, including high-level government representatives, implementing entities, and civil society.

The event will also showcase the AF-funded project in Egypt.

Light refreshments and hors d'oeuvres will be provided.
