Adaptation Fund Board

Endorsement of the “Guiding Principles for Financing Climate and Health Solutions”¹

Having considered the secretariat’s review and recommendation on the “Guiding Principles for Financing Climate and Health Solutions” spearheaded by the COP28 Presidency, the Global Fund to Fight AIDS, Tuberculosis, and Malaria, the Green Climate Fund, The Rockefeller Foundation, and the World Health Organization contained in document AFB/B.41-42/3, the Adaptation Fund Board decides to:

- a) Endorse the “Guiding Principles for Financing Climate and Health Solutions”;*
- b) Authorize the Chair of the Board, supported by the secretariat, to communicate, on behalf of the Board, the endorsement referred to above to the COP28 Presidency.*

Decision B.41-42/3

¹ Mr. Kevin Adams (United States of America, Annex I Parties), in his capacity as an alternate of the Adaptation Fund Board, *abstained* from this decision, citing challenges that the United States identified with "Guiding Principles for Financing and Health Solutions." Abstaining from a decision does not constitute an objection as referred to in paragraph 58 of the Rules of Procedure of the Adaptation Fund Board.
