### **Kenya: Readiness Package Grant Proposal for accreditation support: NEMA (Kenya; US\$ 149,342.52)**

1. Following the technical review of the grant proposal for accreditation support through the readiness package carried out by the secretariat and the Project and Programme Review Committee (PPRC), and having considered the recommendation of the PPRC, the Adaptation Fund Board decided to:

- a) Approve the proposal for the readiness package grant of US\$ 149,342.52 submitted by the National Environment Management Authority (NEMA) on behalf of the government of Kenya; and
- b) Approve the funding of US\$ 149,342.52 for implementation of the readiness package grant for the accreditation of a second national implementing entity in Kenya as requested by NEMA; and
- c) Request the secretariat to draft an agreement with NEMA as the national implementing entity acting as intermediary for the requested support for accreditation.
