

OPPORTUNITIES FOR SCALE UP GRANTS: ACCESS CRITERIA AND APPLICATION

ISHANI DEBNATH, READINESS ANALYST, AFB SECRETARIAT

ADAPTATION FUND

Project Scale-up Grants

GOAL

- ❖ To increase the impact of a project and amplify project/programme results
- ❖ Support tested and tried adaptation solutions for the most vulnerable populations at scale.

OBJECTIVES OF SCALE-UP GRANTS

- ❖ Provide readiness funding to support planning, assessment, and capacity enhancement for designing and developing scaling up pathways for AF project/programmes.

ELIGIBILITY CRITERIA

❑ US \$100,000 per project/programme

**Accredited
NIE**

**letter of
endorsement
by the
Designated
Authority**

Projects over 4 years:
completed the medium-
term review/evaluation

**Projects under 4
years:**

Submitted at least two
project performance
reports (PPR) for the
project/programme
being proposed for
scale up

**Must have identified a potential source of
funding the proposed scale up**

ADAPTATION FUND
