Background

1. At the thirty-sixth meeting of the Board, the PPRC discussed the review cycle for readiness grants and recommended to the Board for readiness proposals to be submitted for review and consideration by the Board during both intersessional periods between the regular meetings of the Board. - b) *To request the PPRC to consider intersessionally the technical review of such readiness grant proposals as prepared by the secretariat and to make intersessional recommendations to the Board;*
- c) *To consider such intersessionally reviewed proposals for intersessional approval in accordance with the Rules of Procedure;*
- d) *To also request the secretariat to send a notification to implementing entities and other stakeholders informing them about the new arrangement;*
- e) *To further request the secretariat to present, at the twenty-eighth meeting of the PPRC, and at subsequent PPRC meetings following each intersessional review cycle for readiness grants, an analysis of the intersessional review cycle.*
