UPDATES ON THE ONLINE PROPOSAL SUBMISSION PORTAL

- The secretariat is in the final stages of developing the portal.

- The portal is now ready to accept proposals for the following funding windows (Only NIEs are eligible except readiness package grants):

1. Readiness grants
2. Learning grants
3. Small innovation grants
4. Bundled innovation/learning grants

- NIEs are invited to participate as external testers by submitting proposals through the portal. If your organization has proposals ready for submission, please contact the responsible Secretariat unit.

- The full launch of the portal, including additional funding windows, is scheduled in February 2026.

- An online session for IE users will be organized.
